EDUCATION

Master of Science in Computer Science and Engineering, LTH, Lund, Sweden

EXPERIENCE SUMMARY

Management roles 3+ years
As an Engineering Manager at Zenseact and Unifaun, Implementation Manager at Jeppesen and Quality Engineering Team Lead at Atlassian.

Leadership roles 9+ years
Test/QA Lead and management roles including my previous role as Quality Assistance Engineer.
Note that some leadership experience overlaps with management experience as the roles mean both, including my current role as an Engineering Manager.

SW Industry 14+ years
